

ANNOUNCEMENTS

The Society for Investigative Dermatology

The 35th Annual Meeting of The Society for Investigative Dermatology, Inc., will be held in Chicago at the Pick Congress Hotel on June 21, 22, and 23, 1974 (Friday through Sunday). The Herman Beerman Lecturer will be Charles G. Cochrane, M.D. The title of his presentation will be "Mediating Agents in the Inflammatory Process."

Four special lectures will be incorporated into the program. The speakers and the titles of their presentations are:

Dr. Albert Crewe	Potential for Scanning Electron Microscopy in Biology
Dr. Albert Dorfman	Mucopolysaccharides
Dr. Alfred Nisonoff	Genetic Control of the Immune Response
Dr. Bernard Roizman	Herpesviruses, Latency, and Cancer: A Biochemical Approach

Further details about this meeting can be obtained from:

8th Miles International Symposium

*The Role of Immunological Factors in Infectious,
Allergic and Autoimmune Processes*

Beginning at
The Johns Hopkins Medical Institutions
Baltimore, Maryland June 6-7, 1974
and continuing at
University College London
London, England June 24-25, 1974

This Symposium, organized and chaired by Roland F. Beers, Jr., M.D., Ph.D., will address the various immune defense mechanisms in response to several pathological processes or injuries. Sessions dealing with influenza, immediate hypersensitivity, lymphocyte alteration and disease, polysaccharide antigens, and the secretory immunological system are among those scheduled.

For further information, contact Edward G. Bassett, Ph.D., Symposium Coordinator, Miles Laboratories, Inc., Elkhart, Indiana 46514, Tel. (219)264-8460.

Society of Cosmetic Chemists Research Grant

The Society of Cosmetic Chemists will award, during the Summer of 1974, a \$5,000 one-year grant to a university for basic studies which could be in the areas of skin

moisturization, antiperspirants, dandruff, or other subject areas of interest to cosmetic scientists. The Society has recently funded a \$5,000 grant for 1973 (with another \$5,000 earmarked for 1974) for basic studies on skin tanning at Brown University under the direction of Dr. Walter Quevedo, Jr.

Proposals outlining the research project (or the first phase of a more extensive project) in sufficient detail to permit evaluation should be submitted to:

Miss Betty Lou Day
HDC Enterprises
192 W. 155th Street
South Holland, Illinois 60473

not later than July 15, 1974. The award will be announced within one month of the above date.

Course in Contact Dermatitis

The University of California, San Francisco will hold a course on November 8, 1974, aimed at new developments in the diagnosis and therapy of allergic contact dermatitis. Office patch testing procedures will be discussed in depth. For information contact: Continuing Education in Health Sciences, Room 570-U, University of California, San Francisco, California 94143.
